Emirates Hospital

An **Emirates Healthcare** Company

General Practice Department

Through its vast medical services, expert staff, progressive medical technology and country-wide network facilities, Emirates Hospital, an Emirates Healthcare Company, aims to provide a consistent, cultivating world of health, catering to the real-time medical needs of patients, in a cost-effective way.

While your case may be handled by one of our experienced General Practitioners, be assured that the team of Emirates Hospital will continue to oversee your care throughout. We provide a network of best-in-class general practitioners who undertake simple to complex cases for treatment.

Our dedicated and highly experienced General Practitioners provide specialised quality care and treatment management for all our patients'.

We offer diversified range of clinical treatments for patients with acute and chronic illnesses including:

- Sleep Disorders
- Allergies
- Respiratory Infections
- Snoring Treatments
- Wounds & Burns
- Lung Diseases
- Neck & Throat
- Asthama and COPD
- Medical Check Ups
- Pre-natal and Post-natal care

What We Provide

We provide top quality medical care in cases such as:

- Routine surgery such as primary closure techniques (suturing)
- Skin lesion biopsies
- Removal of foreign bodies from eyes, ears or wounds
- Pap smear
- Throat swap
- Emergency care for acute coronary syndrome and asthma attacks

Availing routine care at Emirates Healthcare gives you a true appreciation of what personal care is all about.
